Our Judges cont

Lauran Wheaton

I have lived and worked with dogs my entire life. My first breed was the family Labrador. In my teens, I moved into Rottweilers and then later into Dalmatians. My first show dog was a Dalmatian who I learned the ropes with. Although I owned Rottweilers for longer, I did not start showing them until after I had been showing in Dalmatians for a few years.

I enjoy attending breed seminars in the Utility, Working, Pastoral and Hound groups. I love learning about different breeds. I am a canine hydrotherapist and massage therapist therefore I am committed to providing health care for dogs and I am extremely passionate about ensuring dogs are fit for function.

Liesel Thorner

I am now in my tenth year of owning and showing Dalmatians with this breed being my first experience of the dog fancy. I have always had at least one canine companion from the age of six months at my side, Border Collies, English Springer Spaniels and now Dalmatians, who I have found to be my canine soul mates.

From a farming family that showed cattle for many years, I found myself hooked on the canine show scene after my first open show. My first judging appointment came in 2013 when I was asked to judge my own breed. I am now on the B list for Dalmatians. I have judged the Non-Sporting breeds at a local Limited show and a number of Utility Breeds at open show level. I was also a Dog World breed note correspondent before it's recent demise. Along with enjoying our dog showing hobby I spend much of my spare time training and working my Dalmatians in their historical role as carriage dogs which both they and I enjoy immensely.

I would like to thank the committee of South West Utility Club for inviting me to judge at this year's show and look forward to meeting your dogs. I hope you have an enjoyable day.

 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

About Our Judges:

Claire Sharp

I have been showing dogs since 1983 when I began Junior Handling. I was given my first dog-a GWP- when I was 13 years old and made him into a full Champion with ccs and a Field Trial win. I stayed active in GWPs for 27 years, breeding many CC and Field Trial/Working Test award winners. I have also co-owned a full champion GSP and I have bred several Italian Spinone Show Champions including the breed's youngest ever title holder and being top breeder in 2017. My first judging appointment was in 1993 and I was passed to award CCs in GWPs in 2007 and GSPs in 2017. I have judged at group level at open shows on many occasions and judged my first Best in Show in 2012. I have now judged BIS six times and the Utility Group, in particular, five times. Aside from the UK, I have also judged at group level in Russia.

Gary Plummer

I have loved and shown Tibetan Terriers for 12 years. My first litter was born in January 2011, our first home bred Tetsikarma Tibetan Terriers, of which two were added to our show team. From this litter we have been fortunate enough to have gained our first two additions to the Stud Book plus a Res CC. I am on the B list as a breed specialist for both UK breed clubs. I am currently on the committee of Dorset County Canine Society. My first judging appointment was in November 2013 at Plymouth & District Kennel Association. I have now judged over 100 TTs and many other breeds from the Utility, Toy, Hound and Working groups.

DEFINITIONS OF CLASSES

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e. **16th March 2019**

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION

Kennel Club Regulation F (Annex B)

1. These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Rule A 11
 - a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
 - b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations, then he/she may be subject to further penalties of either a fine or as listed under Rule A 11
2. a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the Show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the Show.
 - b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except
 - (a) Operations certified to the satisfaction of the Board
 - (b) The removal of dewclaws of any breed;
 - (c) Operations to prevent breeding providing that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the Board to deceive.
4. The Board without previous notice may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint

Dogs in Vehicles on Hot Days

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.
