I have always had a love for dogs ever since I can remember. I have had Japanese Spitz for 6.5yrs and have been showing for four years. Living in the Forest of Dean there are some beautiful walks for the weekends we aren't showing.

Lisa Parker

I started showing in 2012 with a Miniature Long Haired Dachshund. We bought our first Miniature Schnauzer in 2013. Miniature Schnauzers are a breed I fell in love with during my early years as a dog groomer.

Brian Chessell

I have been showing Tibetan Terriers for nearly 6 years and in that time I have gained a show certificate of merit, 2 stud book numbers and 1 CC. I am Vice Chairman and Show Manager of Worthing and District Canine Society as well as a member of the TTBOC and TTA, plus I regularly steward around the South East. I have passed all the KC exams and TT breed standards, as well as passing BAD MCE's for Tibetan Spaniels, Lhasa Apso and Shih Tzu.

 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

About Our Judges:

Penny Roberts

While I have lived with dogs all my life, I only came into the 'show' world in the 1990s. I award CCs in Samoyeds and have recently been passed for CCs for my first Utility breed. My interest in the Utility breeds started with making friends at open shows with owners of Tibetan Spaniels and German Spitz who encouraged my interest and supported me in judging their breeds. Many years later I am now on A3 (German Spitz and Shiba Inu) and several B lists across the group. I am very honoured to be invited to judge the South West Utility Club open show.

Hayley Davies

I have been showing Dalmatians since 2014 when I had the pleasure of my first little girl coming into my life. Echo and I gained lots of confidence together and really enjoyed being in the ring as a partnership. Since then, I have had a lovely litter from Echo as I wanted another little girl to show and Ember came into our little family. We have attended lots of shows and I gained my first RCC with Ember at SWKA in 2018. I love our breed and I am looking forward to judging lots of spots at this amazing show.

Teresa Scott

I live in Devon and French Bulldogs have been part of my life for the last nine years, although I have always had dogs in my life. My kennel name is Amuelle. I have at the moment four Frenchies: Pugarun Crystal for A. A. Madame Monique, A. Little Tom Thumb ShCM and A. Little Miss Artemis JW, who at the moment has 3 RCCs and 2 CCs. I have a litter once in a while, to keep a Frenchie for myself and to get the pedigrees I want, focussing on health and of course breed standard. The French Bulldog is a beautiful dog in all aspects and I hope and pray it remains this way in the future. I am at the beginning of my judging career and am looking forward to this opportunity to judge some great dogs at the South West Utility Club's show

In the following Definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club. Wins at Championship shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e. **16th March 2019**

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety Classes must be counted. First Prize does not include a Special Prize of whatever value.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

(1) Withdrawal: The dog may be withdrawn from competition subject to the conditions of Regulation 20.

(2) Transfer:

(a) If a dog is ineligible for a class or classes as regards its breed colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height and, in the event of their being no equivalent class, Minor Puppy and Puppy excepted to the Open class for the correct breed, colour, sex, weight or height.

(b) For an exhibit entered incorrectly in a Minor Puppy Class, Puppy Class, or Junior Class which is over age but under twelve calendar months, eighteen calendar months of age or twenty four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling class to the Open Class for the correct breed, colour, sex, weight or height.

(c) For any reason other than the above, the Show Secretary shall transfer it to the Open Class for the correct breed, colour, sex, weight or height.

(d) if an exhibit arrives late and misses a class, even if it only class in which the dog is entered, the dog may not be transferred to any other class.

MINOR PUPPY: For dogs of six and not exceeding nine calendar months of age on the first day of the Show.

PUPPY: For dogs of six and not exceeding twelve calendar months of age on the first day of the Show.

Such breeds may be exhibited in this class only with the winning dog being eligible for Best in Group / best Puppy in Group or best in Show / best Puppy in show as relevant

BRACE OR TEAM For two or more exhibits (either sex or mixed) of one breed belonging to the same exhibitor, each exhibit having been entered in some class other than Brace or Team.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION Kennel Club Regulation F (Annex B)

1. These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Rule A 11
 - a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
 - b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations, then he/she may be subject to further penalties of either a fine or as listed under Rule A 11
2. a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the Show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the Show.
 - b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except
 - (a) Operations certified to the satisfaction of the Board
 - (b) The removal of dewclaws of any breed;
 - (c) Operations to prevent breeding providing that such operations are notified to the Kennel Club before neutered dogs are shown.
Nor must anything be done calculated in the opinion of the Board to deceive.
4. The Board without previous notice may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint

Dogs in Vehicles on Hot Days

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.
